

Custom Corporate & Group Training

The *Boreal Wilderness Institute* offers a full range of customer driven courses, seminars and lectures for corporations. Our specialties are **modern wilderness survival, aviation survival, wilderness navigation, GPS instruction, and wilderness travel**. We also offer courses on teambuilding, leadership, and professional instruction training.

BWI's instructional staff can tailor our instruction to meet your schedule, providing **1-hour seminars, multi-hour seminars, half-day seminars, day courses, or multi-day courses**. We will make our courses fit your needs and schedule. We will provide made to measure handout packages and manuals specific to your needs.

We offer fully customized wilderness courses and in Western and Northern Canada. Course can be run from as short as 1 hour seminars to 28 day trips. If you want to expand the wilderness safety skills and knowledge of your team, we can help make it happen.

The Boreal Wilderness Institute strives to offer you the best in Corporate Client Services. We hope that our clients whether corporation, government agencies, and groups will find the individualized attention they require to gain outdoor expertise and confidence in wilderness travel as part of a well managed **Wilderness Safety Training Programme**.

This has included; *Alberta Environment, Alberta Parks, Alberta Research Council, AREVA Resources, Aurora College, Canadian Coast Guard, Canada Publics Works, Environment Canada, Golder Associates, Royal Canadian Mounted Police, Saskatchewan Environment, Transport Canada*, and many other groups and corporations. Our staff can meet with you at your convenience to discuss your specific needs and an implementation timetable.

BWI will endeavour to make our courses fit your needs and schedule and will be happy to sit down with your group to listen to your specific needs and discuss what we can provide you. Our staff can meet with you at your convenience to discuss your specific needs and an implementation timetable. We look forward to working with you in the near future.
