

Winter Field Session [WFS]

This course takes you beyond the **Survival Core Seminar** allowing you to gain confidence in solid modern survival techniques that can be quickly applied in the *Montane* or *Boreal* Environments. This training gives you the chance to develop and practice winter survival skills, in has a relaxed hands-on learning atmosphere. It will allow you an excellent look at the challenges of Montane or Boreal Forest survival in winter.

Emphasis will be on useful boreal forest resources, fire lighting, shelter building, survival tools, and knifecraft. Each participant will have the opportunity to build a winter survival shelter and use various survival tools. Firecraft practice will be extensive and emphasize will be on lighting fire with natural tinder and a striker. Participants will build and then live in a 2-person survival shelter for the night. The following points will be discussed and practiced on this two-day course:

Knifecraft

- Selecting a good Survival Knife
- Basic Knife Handling
- Construct a Sharpening Board
- Knife Sharpening

Survival Tools

- Build & Use a Baton
- Basic Notches
- Useful Knots

Fire Lighting

- Finding Natural Tinder's
- Finding Natural Fire Lighting Aids
- Lighting a Fire with a Striker
- Survival Twig Bundles
- Building a Survival Fire

- Getting a Fire Started
- Keeping a Fire Burning
- Selection of Proper Wood
- Cooking with a Survival fire

Shelter Building

- Selection of Winter Survival Shelters
- Super Shelter
- Survival Lean-to
- Build a Bough Bed
- Build a 2 Person Survival Shelter

The Boreal Forest

- Trees of the Boreal Forest
- Useful plants of the Winter Forest
- Identification of Aspect / Slope
- Best Survival Camp Locations
