

Introduction to Wilderness Survival Presentation

This 1.5 hour survival seminar gives you the essential knowledge you need to survive the unexpected. Bruce Zawalsky, author of Canadian Wilderness Survival, will engage your conference, staff, company or group with this highly praised wilderness survival presentation. Sit back and enjoy Bruce's unique perspective on Modern Wilderness Survival.

Bruce is an engaging speaker who emphasizes; **Priorities of Wilderness Survival, Surviving a Short-Term Survival Situation Comfortably, What Critical Survival Items you need to carry into the Wilderness, and Getting Found.**

Bruce's mix of compelling stories, humour, facts, and excellent research makes for a highly educational seminar. As a guest speaker for your organization Bruce will improve your survival knowledge and awareness of how to survive an unforeseen wilderness survival accident. Real Wilderness Survival Situations are not like they are portrayed on survival TV. They can be survived comfortably with a little critical knowledge, the right training, and proper preparation.

Isn't it time for your organization to really learn the facts about wilderness survival? Don't miss out on this opportunity to allow your organization, staff or group to answer the question **"What if you had to Survive?"**
